EGERTON UNIVERSITY ALUMNI ASSOCIATION

Egerton University Alumni Association was formed on February, 1984, by former students with the following objectives:

1. To promote the image, integrity and principles of Egerton University as an institution of higher learning, especially in the field of agriculture.
2. To promote the agricultural education to the rural areas so as to enhance agricultural development in Kenya.
3. To promote exchange of socio-cultural ideas among Alumni and the University community through organisations of related seminars, tours and meetings.
4. To solicit for support from the public and private sectors to further develop the University.
5. To accept and disseminate information of employment opportunities for Alumni.
6. To reward students/Alumni for exemplary scholarship.
7. To promote applied research activities within the University.
8. To enhance the publication and dissemination of educational materials within the university.
9. To encourage and finance selected students' socio-cultural activities such as sports, arts and dances, music and establishment of agricultural activities in the University.
10. To organise such income generating activities as dances, films and lectures with the aim of raising funds for the development of the University and
11. To be involved in decision making process in the University.

Membership to the Association is open to the following:

1. all graduates of the College/University on payment of a registration fee of one thousand Kenya shillings (Ksh. 1000).
2. senior academic staff and faculty of the University.

Honorary membership can be awarded to anybody who has contributed significantly to the objectives of the Association.

Incidentally at the time when the college was about to be transformed into University college status, the Association played an important role by offering advice to "Academy Commission" which was appointed by the government to work on the possibilities of upgrading the College into a University.

The association was instrumental in reviewing the former diploma courses with the aim of either withdrawing them or upgrading them into degree programmes.

The Association also made amicable arrangements on the future administrative structure of Egerton College in its new role as a University. Besides that, the Association focused primarily in the review of the mode of operation for staff.

The Association instituted the credit transfer provision, which was effected at the beginning of 1992 for Diploma holders of the College who enroll in Degree programmes in the University.

The EUNA - Movement which falls under the office of the deputy Vice-Chancellor, welcomes all newly graduated Alumni as well as the old ones to join the association.

A BRIEF HISTORY OF EGERTON UNIVERSITY

Egerton University started as an Agricultural School in 1939, when it adopted the first three statutes in makeshift premises. Today, it is an acknowledged Degree awarding institution with a reputation as a Centre of Excellence in Agricultural Education and Extension. It also offers various courses in Natural Sciences, Arts and Social Sciences.

The University has three campuses. The Main Campus (Ojoro Campus), is located 140 kilometres north-west of Nairobi and 30 kilometres from Nakuru on a 1445-hectare piece of land donated by the late Lord Mburia Egerton of Tatton (1874-1958) (120 ha in 1939 and 1, 125 ha in 1958). Situated at an altitude of approximately 1, 700 metres, with mild and pleasant climate, and in its ideal locality, this campus provides a conducive academic atmosphere.

The first three students of the institution were ex-world war II British servicemen who required basic training in agriculture prior to settling in the Kenya Highlands. The mode of instruction at Egerton Agricultural College remained informal until the mid 1940's when a formal nine-month certificate course was introduced. The School was subsequently elevated to an agricultural college. A Diploma programme was initiated in 1949. In 1965, an Act of Parliament appointed a Board of Governors to manage the college.

The Egerton Act was amended and the Board re-empowered. This made the College accessible to non-Britishers in 1961. Prior to that, the College had remained an exclusive preserve for Europeans.

The second campus (Lodopio College Campus) is located near Kibigira town, some 42 kilometres from Nairobi, on a 2654-hectare piece of land formerly occupied by Lodopio Teachers College. This College, later also, offers Bachelor Degree in Education (Ama). The third campus (Kisi College Campus) is situated three kilometres from Kisi town on a 24 hectare piece of land formerly occupied by Kisi Teachers College. The College offers a Postgraduate Diploma course in Education to aspiring secondary school teachers.

The Egerton College became a fully fledged university in 1967. It now has 8, 000 students and an academic staff of 600.
