ANNOUNCEMENT

The 2022 Egerton University Chancellor's Essay Writing Competition

Egerton University is pleased to announce the "2022 Egerton University Chancellor's Essay Writing Competition", which shall be open to all its undergraduate students.

The purpose of the Competition is to fulfil the desire of the Sponsor, the Chancellor of the University, Dr NarendraRaval, to advance the intellectual capabilities of the University's students through writing. The initiative seeks to inspire students to use the medium of writing to think critically and creatively about the circumstances within which they live in the twenty-first century. The Competition enjoys the support and encouragement of the Chair of the Egerton University Council, Amb. Dr HukkaWario, who is interested in students gaining writing skills as a form of self-expression, improving their written communicative competence and as an avenue for self-employment on graduation.

The topic of the Competition is "**International Migration**".

There will be five winners, who will be awarded respective prizes. The Competition shall be hosted and administered by the Department of Literature, Languages and Linguistics, Egerton University. For those who would like to participate, the Rules and Regulations for the Competition have been posted on the following forums: The University Website; the University Notice Boards; and individual students' email addresses.

I encourage those undergraduate students who have a passion for writing and are determined to dedicate themselves to the task to participate in the Competition.
